COVID 19 Safety Protocols

The Alaska Department of Fish & Game (ADF&G) cares about the health and safety of our customers and employees. To prevent the spread of COVID-19, we are urging the public to respect social distancing protocols when in contact with our employees.

To minimize your risk and risk to our employees we urge you to use our online services. Nearly all public services offered by ADF&G can be found online; please read the information in the advisory announcement posted on our website and access available public services at www.adfg.alaska.gov

If you require in-person assistance, please know that no more than two visitors at a time will be permitted into the customer service area. All visitors will be expected to practice current state mandated social distancing requirements while conducting in-person transactions, which require you to **always maintain a distance of at least 6 ft. from the staff member assisting you.**

Thank you for your understanding and helping to keep you and our ADF&G employees safe and healthy.
